FRIENDS OF THE APBA HISTORICAL SOCIETY

The APBA Historical Society, Inc., is dedicated to preserving the history of power boat racing. Formed in the late 1970s by the legendary Bill Muncey and George "Buddy" Byers, the Society has accumulated memorabilia from the early days of powerboating. The collection was spearheaded by the late, great Stan Fitts, who gave so much to boat racing. The Fitts/Packer Outboard Hydroplane Fund was established in memory of Stan and Dave Packer to benefit Outboard Driving Schools.

In addition to preserving the past and supporting Driving Schools, the Society offers a helping hand to deserving racers, clubs, and projects to promote the future of power boat racing.

Join us! We ask you, our friends in boat racing, to help us help honor the past and ensure the future of the sport we love. Any amount is appreciated, but \$100 or more designates you as a Century Club member. All contributions are fully tax-deductible.

Please consider a donation to the APBA Historical Society.

Thank you.

*In memoriam: George "Buddy" Byers, Jr., Stan Fitts, Kay Hallett, R. Steven Hearn,
Bernie Little, Gary Romberg, Edgar Rose, Bill Sterett Jr., and Charles Strang*
